WORK EXPERIENCE

User Experience Specialist

ShiftCam Apr 2022 - Aug 2023 (FT), Sep 2023 - Feb 2024 (PT)

- Led mixed-methods UX research and competitor analysis to identify product gaps and optimize the e-commerce funnel.
- Uncovered root causes of user friction via market research, delivering actionable insights that boosted conversion rates.
- Collaborated cross-functionally to analyze user feedback, resolving pain points to improve product quality and lower CPO.

eCommerce Marketing Executive

Sunfar Hong Kong Limited Jul 2020 - Sep 2021

- Interpreted user behavior data to execute optimization strategies, successfully boosting conversion rates and AOV for the Hong Kong market.
- Built mobile-friendly Shopify pages, identifying and resolving local user friction points to elevate product quality.

News Reporter (part-time)

Ming Pao Jun 2017 - Sep 2018

- Investigated local social issues and conducted in-depth interviews with diverse individuals.

Program Production Assistant (part-time)

Now TV May 2015 - Jun 2017

- Analyzed and synthesized expert opinions for commentary programs.

UX CLIENT PROJECTS

Oct 2021 - Feb 2022

nHance (integrated fitness and wellness app)

- Conducted 1-on-1 interviews to identify the root causes of local users' fitness habits and pain points.
- Executed product quality tests on early prototypes, translating user feedback into actionable insights.

Easyship (shipping software platform)

- Performed deep-dive competitor analysis to identify product quality gaps and weaknesses relative to rival platforms.

Rooftop Republic (award-winning social enterprise)

- Collaborated cross-functionally with developers to design and deliver a data-dashboard MVP in 3 days (Hackathon Winner).
- Redesigned data visualization, effectively resolving user pain points and improving product quality.

Locale (map-based web app)

- Executed usability tests to interpret how local users perceive map icons and navigation flows.
- Designed a platform from scratch to address sustainability challenges specific to the local community.
